

SIXTH INTERNATIONAL CONFERENCE ON ADVANCES IN DESIGN AND CONSTRUCTION OF STRUCTURES ADCS 2017

Mar 10-11, 2017 in Bengaluru, India
<http://adcs.theides.org/2017/>

Sixth International Conference on Advances in Design and Construction of Structures - ADCS 2017; is to bring together innovative academics and industrial experts in the field of Environmental Engineering, Civil Engineering, Geology, Structural Engineering, Transportation and Urban Engineering to a common forum. Visit the official website of ADCS conference in a specific year to get more information on the respective proceedings. **ADCS 2017** will be held during **Mar 10-11, 2017 in Bengaluru, India**. The Conference is jointly organised by the **IDES** and **ACEE**.

All the accepted registered papers will be published by the **Walter De Gruyter**, and it will be made available in the **De Gruyter Digital Library** and will be submitted to possible indexing in all the major indexing services like **EI, ISI Web of Science, DBLP, IET Inspec, Scopus** and etc.

ADCS 2017, is an international conference where theory, practices, and applications of Environmental Engineering, Civil Engineering, Geology, Structural Engineering, Transportation and Urban Engineering and related topics are presented and discussed. Original contributions are solicited on topics covered under broad areas such as (but not limited to):

Conceptual Design Support	Environmental Protection
Construction Automation and Robotics	Intelligent Construction Site
Dam Engineering	Augmented and Virtual Reality
Foundation Engineering	Analysis of Semi-rigid Connections
Fracture Mechanics	Sensors Networks/Instrumentation
Geographical Information Systems	Simulation and Modeling
Geotechnical Analysis and Design	Offshore Structures
Dynamics and Earthquake Engineering	Space, Tension and Shell Structures
Energy for Building	Structural Control
Environment and Energy	Roads and Railways
Environmental Modeling	Sustainable Urban Environments
Environmental Engineering	Uncertainty Models
Linear and Non-linear Dynamics	Transport and Highways Engineering
Model Verification and Validation	Water Resources Engineering
Modeling of Concrete Durability	Urban Transport System
Monitoring of Structures & Buildings	Structural Integrity
Numerical Modeling in Geotechnics	Structural Engineering
Ground Vibration	Rock Mechanics
Optimisation	Sustainability
Lifetime Costs	Slope Design

Prospective authors are invited to submit full (original) research papers (which are NOT submitted/published/under consideration anywhere in other conferences/journals) in electronic (Doc or Docx) format through the **CMT Conference Management System** or via email **adcs.chair@gmail.com**

Important Dates

Date of Paper Submission: **07 Jan 2017**
Paper Acceptance Notification: **14 Jan 2017**
Camera Ready Paper Submission: **08 Feb 2017**
Paper Registration: **08 Feb 2017**
Co-Author or Attendee/Spouse Registration: **27 Feb 2017**
