

SEVENTH INTERNATIONAL CONFERENCE ON ADVANCES IN DESIGN AND CONSTRUCTION OF STRUCTURES ADCS - 2018

Apr 27-28, 2018 in Odisha, India.
<http://adcs.theides.org/2018/>

Seventh International Conference on Advances in Design and Construction of Structures - ADCS 2018; is to bring together innovative academics and industrial experts in the field of Environmental Engineering, Civil Engineering, Geology, Structural Engineering, Transportation and Urban Engineering to a common forum. Visit the official website of ADCS conference in a specific year to get more information on the respective proceedings. **ADCS 2018** will be held during **Apr 27-28, 2018 in Odisha, India**. The Conference is jointly organised by the **IDES and ACEE**.

All the accepted registered papers will be published by the Grenze Scientific Society & it will be appear in Grenze Digital Library. All the published papers will be submitted to possible indexing in all the major indexing services like *EI, ISI Web of Science, DBLP, IET Inspec, Scopus* and etc.

ADCS 2018, is an international conference where theory, practices, and applications of Environmental Engineering, Civil Engineering, Geology, Structural Engineering, Transportation and Urban Engineering and related topics are presented and discussed. Original contributions are solicited on topics covered under broad areas such as (but not limited to):

Conceptual Design Support

Construction Automation and Robotics

Dam Engineering

Foundation Engineering

Fracture Mechanics

Geographical Information Systems

Geotechnical Analysis and Design

Dynamics and Earthquake Engineering

Energy for Building

Environment and Energy

Environmental Modeling

Environmental Engineering

Linear and Non-linear Dynamics

Model Verification and Validation

Modeling of Concrete Durability

Monitoring of Structures & Buildings

Numerical Modeling in Geotechnics

Ground Vibration

Optimisation

Lifetime Costs

Environmental Protection

Intelligent Construction Site

Augmented and Virtual Reality

Analysis of Semi-rigid Connections

Sensors Networks/Instrumentation

Simulation and Modeling

Offshore Structures

Space, Tension and Shell Structures

Structural Control

Roads and Railways

Sustainable Urban Environments

Uncertainty Models

Transport and Highways Engineering

Water Resources Engineering

Urban Transport System

Structural Integrity

Structural Engineering

Rock Mechanics

Sustainability

Slope Design

Prospective authors are invited to submit full (original) research papers (which are NOT submitted/published/under consideration anywhere in other conferences/journals) in electronic (Doc or Docx) format through the **CMT Conference Management System** or via email adcs.chair@gmail.com

Important Dates

Date of Paper Submission: **15 Feb 2018**

Paper Acceptance Notification: **23 Feb 2018**

Camera Ready Paper Submission: **20 Mar 2018**

Paper Registration: **20 Mar 2018**

Co-Author or Attendee/Spouse Registration: **05 Apr 2018**
